

Halal Application Approval System

Reliable & Trustable
Halal Business Platform

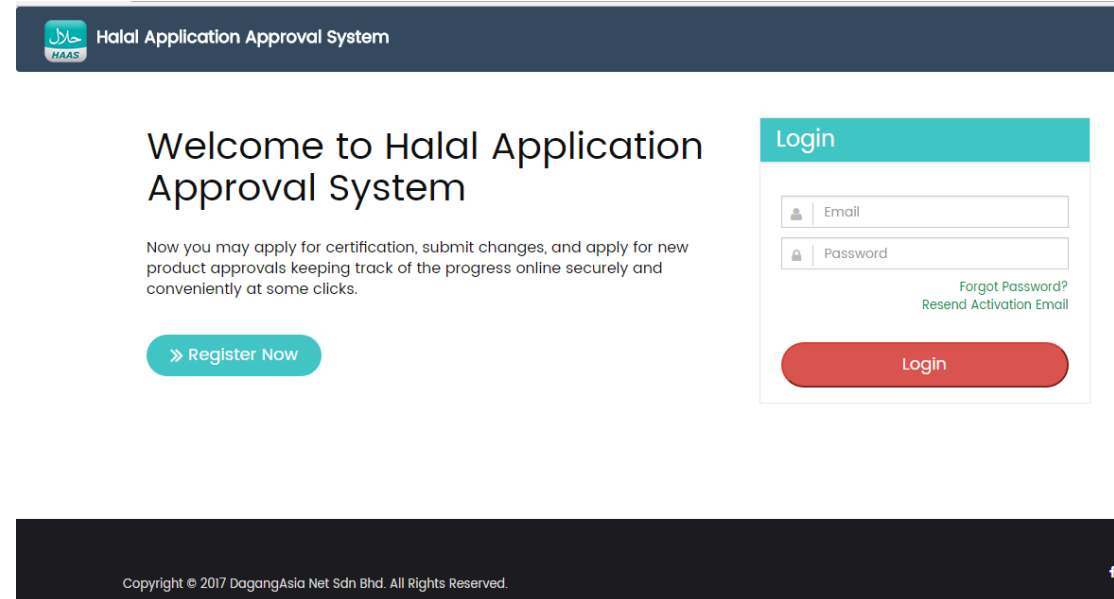

Presented by: Siti Mastura Johari
Oct 2017

What is HAAS?

an **online system** that enables a Certification Body (CB) to **manage their halal application processes** from the **beginning right up to the end.**

The system is convenient to CBs as **they can keep track and manage all applications via the online system.**

Halal Applicants (HA) are able to track the progress and status of their applications, any products nearing expiry dates and any pending documentation.

MODULES

- Application
- Quotation Proposal
- Audits
- Billings
- Certificate Printing
- Reports

Challenges in halal certification process
